

Oi Oi Comedy

LIVE ENTERTAINMENT IS A GREAT WAY OF BRINGING NEW PEOPLE INTO A VENUE and there has never been a better time, especially with the smoking ban in public places.

If you wish to book a comedian or book a comedy night click the COMEDY tab on the left hand side for more information. On the left hand side of the screen are tabs explaining in more detail where our comedy clubs are around the country + the upcoming acts booked there (OUR COMEDY CLUBS) and other services besides comedy we can provide.

Established in 2001 OI OI COMEDY runs comedy nights and books comedians for pubs, clubs, art centres and student unions both in the UK and internationally.

Oi Oi currently runs ten regular independent comedy clubs and two major comedy chains. We also put on national tours with household name comedians, as well as running corporate events for clients that include the Houses of Parliament.

Prices for your venue's comedy night could start for as little as £275. Such an evening includes four comedians, two professionals and two up and coming acts. No headaches, no fuss. We will provide you with all the advice and tips on how to set up your night. We will also give you full support with marketing the night, setting up mailing lists and ways of keeping your customers coming back for more.

While we specialise in comedy, we can also book any type of entertainer you require including;

- Magicians, both street and mainstream
- Hypnotists
- Dancers
- `Panel game style` comedy quiz shows ('Have I Got News For You' Style)
- Impressionists,
- Stag/Hen/ performers,
- Drag Artists
- Ventriloquists,
- Celebrities and sports personalities
- Clowns
- And even children's party entertainers

So whatever you're looking for in terms of live entertainment, get in touch.

Packages and discounts are available if you book regular nights with us.
