### HYPNOTISTS

Steve Marshall

‘One of Britains’ top stage hypnotists’ – BBC Radio

Comedy Hypnotist, Steve Marshall, has been a stage hypnotist for over 10 years. Every passing year has seen the ‘Hypnotic Experience Show’ evolve into probably the most entertaining of all. Steve is a regular at many prestigious venues some of which include police stations and MOD sites.

Steve appears in many different types of venues including pubs, clubs, hotels, theatres, at parties, weddings, presentations, universities, May Balls, corporate events and at fund raisers so, if you are looking for a complete change from the normal run of the mill entertainers, you will not be disappointed and will always come back for more.

A professional through and through, full public liability insurance through Equity and the whole show abides with the 1952 Hypnotism Act and its subsequent revisions.
